

Privacy Policy

Last updated: February 2016

More In My Basket ("us", "we", or "our"), a non-profit program operated by and housed at a state government institution of higher education, operates www.MoreFood.org (the "Site"). We are committed to protecting your privacy when using our Site, and this policy was developed to inform you of how we use your information when accessing the Site.

Personal Information

While using our Site, you may be asked to provide information such as your name, email address, and phone number. This information is used to contact you regarding questions or other inquiries. It is also used to contact you via our newsletter. Providing personal information is completely optional. We do not sell products or services and will not provide your personal information to third parties.

Log Data

Like many site operators, we collect information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

Cookies

Cookies are files with a small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, it is possible that you not be able to use some portions of our Site.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.
